## **RIDER**

This RIDER is to inform the CLIENT of the basic needs, expectations and provisions. This document is to be considered part of the CONTRACT.

### **TRAVEL**

The CLIENT is to provide all travel details and expenses. Be sure that the flight time is such that you will not be rushed. Mr. Wigginton should be able to arrive at the hotel a few hours before the event, when possible. Transportation to and from VENUE is to be arranged by the CLIENT.

### **HOTEL**

The CLIENT is to provide all lodging expenses and details. Accommodations should be comparable to Sheraton or Hampton. Room must be non-smoking. Room (not Business Center) must be equipped with internet connection. A “guest home” is not appropriate lodging.

### **PROVISIONS**

The CLIENT should feel no need to “entertain”! After the Master Class, Mr. Wigginton usually needs to eat then retire for the evening. He will most likely have a full day of Private Sessions starting the next morning.

Please provide Mr. Wigginton with bottled water (any brand) during the Master Class and during the day of Private Sessions.

### **VENUE**

The CLIENT must secure an appropriate venue for Master Class AND Private Sessions.

- white board (with dry-erase markers and eraser)
- fully weighted 88-key keyboard in great condition (with sustain pedal and bench)
- PA –even if the venue is small. PA must sound great! We will be studying the art of creating sound, so the PA MUST transduce sound accurately. This is easily accomplished with decent speakers and two quality mics (i.e. Beta 87 or even SM58)
- Two (2) mic stands; one with a boom extension for use at the keyboard
- The venue must have adequate seating and an acceptable level of comfort.

**In witness whereof, the parties hereto have hereunto set their names and seals on the day and year written below. This RIDER shall become a binding part of the contract. It is understood that James R. Wigginton and the CLIENT agree on the above listed terms of contract/rider and consider this document legally binding.**

## **HELPFUL HINTS!**

- **USE HOTWIRE.COM!** We use it for nearly every venue. You can easily get a 3-4 Star hotel for \$50-\$70 a night!
- **JUST RENT A CAR FOR JRW!** Car rental is very inexpensive (about \$19 a day). That way there's no need to arrange pickup times, no depending on others to help out, and JRW is sure to be on time.
- **OPEN UP YOUR MASTERCLASS TO THE COMMUNITY!** It'll help cover your expenses (most even make a profit), and it brings musicians together. How could that be a bad deal?
